

Overview

Brandex Components has been serving the military and commercial aviation markets since 1991, with a primary focus on circular connectors. We stock a broad range of mil-spec connectors, backshells, and dustcaps. Our 17,000 sq. ft. warehouse is located in Sunrise, Florida and stocks over 85,000 line items. We carry only the highest quality brands in the business such as Amphenol PCD, Corsair Electrical Connectors, Glenair, and many more.
